

Eagle Lake Community Association Operations Update

4/10/2020

Holy Week

Good Afternoon,

Please find a brief update of our community operations and COVID-19 affect as of Friday, April 10th, 2020.

Seasonal Preparation

On-site crews continue to prepare the community for season opening. As of this time, we are hopeful that our community will be open for residents to access their properties in early to mid-May. Major repairs and improvements continue at the Wastewater Treatment Plant, crews are continuing to maintain and improve roads and common areas, and Security continues to monitor and patrol the Community 24/7.

Office Hours

Office hours are daily from 10am to 2pm. The office can be reached at 570-842-7672, ext.3 during these hours. We continue to monitor email inquiries, which can be sent to info@eaglelakeca.com. The office will be closed on Easter, Sunday, April 12th.

Boat Racks

Owners will receive a letter in the mail within the next 10 days in regards to boat rack assignments. As of now, we anticipate owners being able to place boats on racks on May 15th (this, of course, is dependent on the safety of re-opening the community). Our in-house staff has been busy painting, repairing and moving the racks and they look better than ever!

Golf Cart Delivery

Golf carts should be delivered between April 15 and April 30.

Country Store

Our Country Store is currently being stocked for the season and new logo items have arrived! Check out some of our NEW logo items for 2020:

See the attached flyer and email info@eaglelakeca.com for more information on available items and pricing. The flyer is also available on the website in our Documents section.

PA COVID-19 Stats

As of April 9th at 12:00pm, there are 18,228 cases in PA and 338 deaths. Of those, there are 312 cases and 16 deaths in Lackawanna County and 716 cases and 19 deaths in our neighboring Monroe County. The Pa Dept. of Health is recommending everyone wear homemade masks when leaving their house. Schools in PA are closed through the end of the school year and until further notice. PA is still under a “stay-at-home” order. Some grocery stores in our area are implementing guidelines including: limiting the number of people in the store at one time wearing masks and temperature scans and/or limiting shoppers to only one per family. There is an 8pm curfew.

Future Planning

According to the local health agencies, Lackawanna County is 2 to 3 weeks behind NY, NJ and CT in the COVID-19 spread and apex. Needless to say, the impact of COVID-19 is affecting lives all around us. This also applies to Eagle Lake. Although we are your “getaway”, we are still not immune to the affect of this disease (see states and mandates above for PA). This summer at Eagle Lake may look or feel different. Crowd restrictions may still be in place (current restrictions in place until May 17th), and social distancing may still be required. Please know that as we are doing everything we can to keep our community safe and healthy. All decisions regarding events and programming for the season will be selected with common sense, and keep in line with any and all state and nation-wide issued mandates.

Recreation Committee Meeting

We will be holding our April 18th Recreation Committee Meeting via phone conference at 9am. Instructions for call in procedures will be sent to Committee members next week.

ELCA Development Corp

Please see the flyer attached for this week’s special. Call or email Jim or Peter for more information and details at 570-842-1387 or elcadevcorp@aol.com.

Wishing you the best for the Passover and Easter Holiday!
